

# BREAKFAST CONNECTION

The dynamic format of the Breakfast Connection gives the attendees a chance to bring their business to the table. The event focuses on networking and provides attendees the chance to exchange business cards, develop new prospects, and share a 60-second elevator pitch with each table. The event focuses on roundtable power networking and gives guests the chance to meet many people before the work day begins. In order to broaden or target your reach, some of the events will be co-marketed with a partner organization or pertain to a specific topic.
