Chair Karrie K. Delaney  
House Transportation Committee  
House Committee Room B-205, General Assembly Building  
201 North 9<sup>th</sup> Street  
Richmond, VA 23219

Dear Chair Delaney and House Transportation Committee Members,

I'm John Musso, Government Affairs Manager at the Arlington Chamber of Commerce. I am writing to express our opposition to the substituted HB959, concerning towing enforcement. The bill would permit localities to create a second signature requirement for towing illegally parked vehicles in Planning Districts 8 and 16, creating a new undue burden for local businesses in those districts.

We strongly request that you oppose HB959 at tomorrow morning's Committee meeting.

Best Regards,

John
