We are an urban community. Our longtime residents have witnessed the growth of Arlington, from the arrival of skyscrapers and great retail options to an invaluable metro system and growing neighborhoods. Residents and businesses have adapted to a faster pace and new technology. An exciting aspect of the community's growth is that there is always more to come—more new restaurants, more apartment and office buildings, more improvements to roadways and public transportation. These developments will only continue to improve our quality of life.

We hope you will visit and explore our local businesses. Arlington businesses are quality establishments run by great business people. There are businesses to fit every need. Try the more than 600 restaurants of every cuisine imaginable. Utilize the 45 plus hotels for meetings, social gatherings or hosting out of town guests. ## About Arlington

Arlington is a world-class urban community that was originally part of the “10-mile square” parcel of land surveyed in 1791 to be the nation’s capital. It is the geographically smallest self-governing county in the United States, occupying just under 26-square miles.

Known for its urban villages and transit-oriented development, Arlington maintains a rich variety of stable neighborhoods, quality schools and enlightened land use. Home to some of the most influential organizations in the world — including the Pentagon — Arlington stands out as one of America’s preeminent places to live, visit and do business.

### How the Government Works

The five-member County Board is the governing body of Arlington County. Members are elected at-large for staggered four-year terms. The County Board makes general policy decisions for all County government functions that the Board-appointed County Manager administers. The Board sets real estate, personal property and other tax rates, and establishes the work program for the County by adoption of an annual budget. The Board makes all land use and zoning decisions within the limitations imposed by the Code of Virginia. It oversees transportation policies related to such issues as widening, narrowing and repairing of County streets, sidewalks and bicycle trails.

The judiciary and the constitutional offices — such as the Commissioner of Revenue, Commonwealth’s Attorney, Clerk of the Courts, Sheriff, and Treasurer — function independently of the County Board.

Arlington operates under the “County Manager Plan” form of government. The County Manager is responsible for carrying out policies set by the County Board and for the day-to-day department operations and management of County services, with the exception of the County’s public schools, which come under the jurisdiction of the Superintendent of Schools and the School Board.

### Quick Facts About Arlington

## Services for Your New Residence

### Tall Grass, Overhanging Trees, Abandoned Vehicles and Junk

Property owners or renters are required to clear obstructions from the sidewalk to allow for pedestrian passage and to keep grass mowed shorter than 12 inches. The County can help remove abandoned vehicles left on private property. Contact Community Code Enforcement at 703-228-3232.

Sidewalks — as well as the grass strip between the curb and sidewalk — are typically public property owned by Arlington County. If a tree or shrub is obstructing a sign or posing a hazard on the public property, call 703-228-6525. If you have large junk items to discard, call 703-228-6570.

### Graffiti

Report the specific location of any graffiti you see by calling 703-558-2222, the police non-emergency number.

### Parks & Recreation

Arlington County offers hundreds of programs, classes, and activities for all ages and abilities. Check out [www.arlingtonva.us/dpr](http://www.arlingtonva.us/dpr) for a complete listing. For information on fee reductions, call 703-228-4747 (TTY 703-228-4743).

### Snow Removal

During snowfall, the County concentrates on keeping the main arteries passable for public transportation and emergency vehicles. After snow stops falling, crews quickly concentrate on clearing snow from all streets. Neighborhood streets are cleared last. Virginia's Department of Transportation (VDOT) is responsible for clearing all state roads. To report snow on roadways, call:

- **VDOT/State Roads:** 1-888-383-8368
- **Local Streets/Arlington:** 703-228-6485

#### Clear snow from your sidewalks:

Residents/business owners are responsible for clearing snow from sidewalks, driveways and entrances.

### Towing

Watch where you park. Carefully read any posted signs, and do not park in restricted areas. To locate a towed vehicle, contact the Police Department's non-emergency number, at 703-558-2222. The Police Department will tell you if your car has been reported as towed by a private towing company.

### Refuse & Recycling – Curbside

*(For single-family, duplex and townhome residences only.)*

**Trash/special pick-ups:** Regular collection occurs weekly. Place containers at curbside no earlier than 5 p.m. the day before collection and no later than 6 a.m. the day of collection. Remove containers from the curb within 24 hours. All trash is sent to the County's waste-to-energy plant. By request only, the County will pick up appliances, heavy metal items, and unbundled brush.

**Recycling:** Place recycling bins curbside on the same day as trash to recycle newspapers, magazines, mixed paper, bottles and cans. Apartments and condos are required to have onsite recycling for their residents.

### Trees, Leaves & Brush Recycling – Curbside

**Christmas tree recycling:** Collected during first two full weeks of January on trash day. Trees are recycled into wood mulch. Do not use plastic tree bags.

**Brush recycling:** By request only, the County collects unbundled brush (clippings and tree trimmings) curbside every week, year-round. Homeowners must arrange for private disposal of large quantities of brush from multiple trees or land clearing.

**Spring Yard Waste Collection/Recycling:** During March and April, the County collects garden debris and plant and shrub clippings one business day after trash day. Free biodegradable bags are available at locations around the County.

**Leaf Collection/Recycling:** During November and December, the County collects and recycles leaves into mulch. Residents can rake their leaves into loose piles at the curbside for vacuum leaf collection, or put leaves in free biodegradable bags for collection. Go to [www.arlingtonva.us/recycle](http://www.arlingtonva.us/recycle) for updates and bag

locations. **Reminder:** Do not park cars on leaf piles — it's a fire hazard!

**Free Mulch:** All residents can pick up free leaf and wood mulch (made from collected brush, yard waste and leaves) at two locations. Home delivery of mulch is available for a small fee. Mulch locations (see the map in this brochure to view exact locations):

- 26th St. N. and Yorktown Blvd., 7 days a week, 24 hours a day
- 4300 29th St. S., near Shirlington (Mon.-Fri. 5 a.m. – 9 p.m.; Sat. 7:30 a.m. – 4:30 p.m.)

### Drop-off Recycling/Hazardous Materials

**Hazardous materials and Electronics:** Bring household hazardous materials — paint, chemicals, pesticides, TVs and other electronics — to the HHM recycling facility at 3151 S. Fern St., every Saturday except holidays between 9 a.m. and 3 p.m. (Small fee for TVs/monitors.) Call 703-228-6832 for details.

**Recycling Centers:** Two centers are available 24/7 to all residents and businesses for recycling bottles and cans, mixed paper and cardboard. Locations: 530 N. Quincy St. and the corner of Columbia Pike and South Four Mile Run. Small metal recycling also available at Quincy St. (Also see the map in this brochure for locations.)

### Water, Sewer and Streets

**Utilities Billing/Water System:** Residents in single-family and duplex households receive drinking water, sewer and refuse/recycling collection service from the County. These services are billed together. The County pumps, stores, distributes, meters and bills for water. The water comes from the Dalecarlia Water Treatment Plant in Washington, D.C. **Tip:** Remember, you can always pay your bill online at [www.arlingtonva.us](http://www.arlingtonva.us).

**Sanitary sewer system:** The system carries wastewater from homes and businesses to the Water Pollution Control Plant for treatment.

**Streets and potholes:** The County provides concrete maintenance to residential and commercial curbs, gutters and sidewalks, plus pothole and pavement repairs. The paving program annually includes asphalt resurfacing, sealing, and street rebuilding.
