CHAMBER OVERVIEW

ACTION

The Chamber is a catalyst for change, bringing both public and business leaders together to do collectively what cannot be done individually. By acting as an advocate on issues effecting local business and economic policy, the Chamber supports its member organizations in a way that most companies cannot afford to: lobbying. Without the ability to vote, businesses are often loaded with stifling taxes and fees. The Chamber looks out for the business community’s best interests by acting as a greater voice for the local community.

COMMUNITY

The Chamber and its membership recognize the importance of being active in the community where you do business. The Chamber has nine committees, each supporting different areas of the local business community (see page 3 for committee descriptions). By contributing to the local community in a variety of ways, the Chamber is able to keep a hands-on approach to affecting positive outcomes.

NETWORKING

Hosting over 100 events annually, the Chamber offers members endless opportunities to network with fellow members and business leaders. From monthly networking events to large annual events, members gain business contacts, market their company and obtain valuable knowledge for their business while enjoying events and forming professional relationships. Some networking events include:

Monthly:

Breakfast Connection
Business After Business
SMART Start
Small Business Roundtable
and various educational seminars

Annually:

Arlington’s Best Business
Awards
Arlington Business Gala
Chamber Annual Meeting

Hospitality Awards
Scholar’s Cup
State of the County & Public
Safety Awards
Volunteer Arlington Day

PROMOTIONAL OPPORTUNITIES

Members have a variety of opportunities to promote and market their business through the Chamber. Promoting at Chamber events, in Chamber newsletters, on the Chamber website and more allows your company to reach the Chamber’s growing membership of more than 1,800 business professionals in ways that best suit your needs. The Chamber makes it a priority to offer its members numerous opportunities to publicize their business and maximize their exposure in the Arlington community and beyond.

JOIN A COMMITTEE

Joining a committee is a great way to get involved with the Arlington business community and connect with fellow Chamber members. Take a look at the committee descriptions below for ways you can best get involved, then return the form to the Chamber: Fax - 703-522-5273; Email - membership@arlingtonchamber.org.

I am interested in serving on the following committees:

- Ambassador Committee*** encourages participation in the Chamber by contacting members as they join the Chamber. The goal of the committee is to strengthen the membership by making every member feel welcome at Chamber events and encouraging them to become involved. This committee requires attendance at the majority of Chamber monthly networking events.
- Community Action Committee** raises the business community's awareness of community needs and focuses its efforts and energies in addressing those needs. It identifies opportunities for community involvement, evaluates unsolicited requests for assistance and formulates plans and programs in response to those needs. One project is coordinating the Chamber's annual event designed to give back to the community, Volunteer Arlington Day. The committee also organizes and implements nonprofit forums.
- Education and Workforce Development Committee** works to foster relationships between education and business and advises the Chamber on strategies that prepare students for a career, further education, citizenship and lifelong learning. Additionally, the committee supports the PRIME internship program and promotes the Chamber's Scholarship Fund.
- Gala Committee** works to ensure the Annual Arlington Business Gala is a huge success every year. This event is a celebration of business in Arlington, and serves as the Chamber's largest fundraiser, helping us continue our mission of strengthening businesses and the economic environment for those who work, live and do business in Arlington. With over 300+ anticipated attendees, committee members support the event by helping to secure silent auction donations, sponsorships, and ticket sales. Committee members are able to leave their footprint on Arlington's Best Night Out, show their support for the Chamber, while also making new, lasting connections with fellow members.
- Government Affairs & Economic Development Committee** monitors issues concerning transportation, tax and governmental budgets and general legislation and reports relevant items to the Chamber's membership; analyzes each of these issues, and, when necessary, recommends a formal Chamber position to the Board of Directors and communicates this position to our members and state and local elected officials.
- Hotel General Managers Committee** meets to keep abreast of dynamic issues that affect their industry and provides an interface with the Arlington County Visitor Service to provide support and input on the best use of marketing dollars to promote Arlington to the travel industry. The committee identifies issues within their industry that require the full Chamber's support.
Note: Exclusively for hotel general managers.
- Membership Development Committee*** actively seeks new members and follows up with prospects. The goal is to strengthen the Chamber membership by talking with those whom they know and are interested in the Chamber. Participates in Smart Start, other Chamber networking events and is active in recruiting new members to the Chamber.
- Membership Engagement Committee*** performs an extremely important function for the Arlington Chamber of Commerce by serving as a resource to all Chamber members. Committee members connect with fellow members, communicate engagement opportunities, and work with each member to identify opportunities that align with the member's objectives. Participation in this committee requires engagement with the Arlington Chamber of Commerce in some capacity.
- Sustainability Committee** meets to tackle environmental and sustainability concerns affecting every company and organization, and to discuss issues about doing business in a way that is Greener.

*Membership Development, Ambassador, and Membership Engagement Committees require an application process to be considered.

The Omnibus Budget Reconciliation Act of 1993 prohibits you from deducting, for federal income tax purposes, the portion of your membership dues investment that is allocable to the lobbying activities of this organization. The Arlington Chamber of Commerce reasonably estimates that 1% of your membership dues investment is allocable to lobbying expenditures, and therefore 1% of your dues is not deductible as a business expense
