Dear Chair Bulova and the Commerce, Agriculture & Natural Resources Subcommittee,

I'm John Musso, Government Affairs Manager at the Arlington Chamber of Commerce. On behalf of the Chamber, I wish to express our strong support for HB1125, the Virginia Business Ready Expedited Permitting Program.

This legislation would facilitate expedited permitting for significant economic development projects and sites across the Commonwealth, increasing our competitiveness and making Virginia a more attractive state for business.

We urge you to please support HB1125 in Subcommittee this afternoon.

Best Regards,

John
